## ATTENDANCE

### **Absence:**

Parents are requested to call the school office before 9:00 a.m. on the day of an absence. If parents are unable to contact the school, a written note with the student's name, the date of absence, the reason for the absence, and signed by the parent should be sent to the office on the day the student returns to school.

### **Homework:**

Homework requests must be called in to the office by 9:00 am on the 2<sup>nd</sup> day of a child's absence. Homework prepared by the teacher can be picked up from the office after 3:30 p.m. Make-up work must be turned in promptly to receive credit for the assignment.

### **Early Check-Out:**

Students who attend school in the Stayton Intermediate and Middle School buildings have a closed campus. If a student has an appointment during the day, the parent/guardian must come into the school and sign out their student. The student needs to check in at the office if he returns to school during the same day.

### **Tardiness: Every 9 weeks**

Tardiness occurs when a student is late to class. An unexcused tardy will be recorded if the student is late to class with no acceptable excuse and/or a note from the office or another teacher.

Teachers will monitor and record the tardiness of each student and follow the guidelines set by the administration. Should tardiness become a problem, the teacher will:

1. Speak with the student concerning his/her tardiness as a disruption to his/her learning and learning environment of the class;
2. When a second tardy occurs, teachers will verbally warn the student that the next tardy will result in after school or lunch detention;
3. On the third through 5th tardy the teacher will assign a 30-minute detention and make parent contact.
4. On the 6th tardy the teacher will assign an after school detention, the student will be called to the office and will be asked to make a phone call to schedule the ASD;
5. With any further tardiness, the school administrator will revoke other privileges (i.e. school dances, lockers, attendance of after-school events, etc), and/or pursue further school discipline.

### **Irregular Attendance:**

Parents of students that have irregular attendance will be notified by school officials to outline a plan for improvement. If attendance continues to be a problem, the case will be referred to the Truant Officer. Oregon law provides the Superintendent with the power to have a Truant Officer cite parents into court, with a possible \$500 fine if they fail to maintain their child in school.

**Students not meeting attendance requirements may not be allowed to attend co-curricular activities (i.e. school dances, sporting events, non-academic field trips, etc).**

## **CELL PHONES**

### **SIS (Grades 4 & 5)**

Students are allowed to bring cellphones to school. Students may not access their cell phones between the time they enter the building in the morning and 3:00 PM. Students bring their devices to school at their own risk. The district is not responsible for lost or stolen devices. Students may use the office phone during the day to contact parents or guardians.

### **SMS (Grade 6)**

Students are allowed to bring cell phones to school. Students may not access their cell phones between the first bell in the morning and 2:55 PM. Students bring their devices to school at their own risk. The district is not responsible for lost or stolen devices. Students may use the phone in the office during the day to contact parents or guardians or ask administration or office staff to use their cell phone within the office area to contact parents or guardians.

### **SMS (Grades 7 & 8)**

Students are allowed to bring cell phones to school. Students may not access their cell phones between the first bell in the morning and 2:55 PM. Cell phones need to stay in lockers. Students may use the phone in the office during the day to contact parents or guardians. Students may not use their cellphones outside the office area to make outside calls. All district policies apply with regard to Personal Electronic Devices and Social Media (Policy [JFCEB](#) & [JFCEB-AR](#)). It is the responsibility of the student to understand the policy if they access their device at any time. Students bring their devices to school at their own risk. The district is not responsible for lost or stolen devices.

Ear buds and bluetooth speakers are NOT allowed. Noise canceling headphones are also not allowed. Students must be able to hear announcements and/or emergency notifications.

**DAILY DISMISSAL**

With nearly 500 students leaving school grounds at one time, all students, staff, and parents need to be aware of safety issues. The school provides crosswalk guards on Shaff Road and Gardner Street, and supervision while students load on the buses. Students who walk are asked to leave campus immediately. Students who ride bikes or scooters are to walk them until they are off school grounds. All students crossing Shaff Road on foot or with bicycles are to use the crosswalk.

Students should be off school property by 3:10 p.m., unless they are under the direct supervision of a staff member.

Do not park in the bus lanes. If you come into the parking lot, please pull into a parking space while you wait as a courtesy to other drivers driving through the parking lot. Please adhere to the traffic signs, remembering that there are restrictions for left turns onto Shaff Road between the hours of 7:30 to 8:30 am and 2:00 to 5:00 pm.

## DANCE POLICY

Dance eligibility is based on attendance and behavior from “dance to dance”. Administrators may modify the minimum dance requirements on a case-by-case basis when appropriate. Students must:

- Have no major referrals
- Must be in school for the entire day on the day of the dance unless approved by an administrator
- Maintain a good academic standing with no more than one F on the day of the dance (review of eligibility based on the failure report completed every three weeks)

## DRESS CODE AT SIS/SMS

Students must follow all the clothing guidelines as outlined in the District Section of this handbook under Code of Conduct. In addition to these guidelines students at SIS/SMS must:

- Remove their hats, hoods or stocking caps before 8:00 am and put them away in their locker/desk during school hours
- Not wear any bandanas of any sort
- Not wear any wallet chains (heavy chains connected to a wallet)
- Any clothing with holes above the knee may require leggings, tights or spandex under the clothing.

## LOCKERS

Lockers and desks are property of the District. Students are assigned individual lockers in the 7<sup>th</sup> and 8<sup>th</sup> grade as a convenience for storage of books, lunches, and extra clothing during the school day. Since lockers are not completely safe, large sums of money and other valuables should not be stored in them.

Every effort will be made to keep the lockers in proper repair. Any lock or locker not operating properly should be reported to the office. It is the student’s responsibility to maintain proper care of their locker. A \$5 fee will be charged for any lost or damaged locks.

Once a student is assigned a locker, they may not switch, share or give their combination to another student. Locker reassignments will only be permitted by approval of an administrator.

## **Social-Emotional Learning Framework - RULER**

Stayton Intermediate and Middle Schools have adopted a social-emotional learning system called RULER. This philosophical framework has been developed by Yale University and has four anchor tools that have been embedded school-wide. The four anchor tools are the Classroom Charter, the Mood Meter, The Meta-Moment, and the Blueprint. These tools are preventative and restorative tools that help our students identify their emotions and recognize how they affect their well-being and decision making. When conflict arises, our staff use restorative practices such as the Blueprint and restorative circles to find resolution.

### **BE SAFE, RESPONSIBLE, and RESPECTFUL**

Signs will be prevalent in the schools and students will be recognized for presenting positive behaviors.

#### **Discipline Summary:**

These rules and procedures are designed to protect the safety, rights and responsibilities of students, parents and employees. The rules apply to student conduct which occurs while a student is:

Promotion for 8<sup>th</sup> graders is scheduled during the last week of school for all other students. A letter will go home to all 8<sup>th</sup> grade parents during the month of May with more details.

## **REPORT CARDS**

Report cards will be mailed home the week after the end of the first semester and at the end of the school year. Progress reports will be given to parents at conferences after the first and third quarter. Parent conferences are scheduled to give parents an update on how their student is doing academically. If a parent does not receive a report card for any reason, they should contact the school office to verify their address is correct and request a new report be mailed out as soon as possible. Grades are also available on the portal and the NSSD app.

## **SCHOOL MEALS**

All students attending Stayton Intermediate/Middle have automatically been approved to eat one breakfast and lunch meal per day at no charge through the Community Eligibility Provision. There is no requirement to complete a Free & Reduced Meal application. Should a student wish to eat an additional meal or purchase supplemental items, they will need to pay for those with cash or funds that have been deposited into their lunch accounts.

SMS Breakfast is provided from 7:40-7:55 a.m. in the cafeteria. Building doors will open at 7:40 each morning. There is no outside supervision prior to doors opening so children should be dropped off no earlier than 7:40 a.m. SIS Breakfast is provided from 7:40 to 8:00 am in the SIS building. They eat in their classrooms.

Stayton Intermediate and Middle School students eat in the same cafeteria, which serves nutritious meals daily that meet the requirements established by the USDA.

### **Meal Prices:**

Prices for meals are listed on the website under Food Service and are also available at registration or through the office.

If you have questions or comments, please contact the Food Service Director, Mike Vetter at 503-769-4115.

The safety of our students and staff is our primary concern. Anyone without an identifying badge/sticker will be asked by staff to return to the office to obtain one.

Parents/guardians may visit and observe their child's classes. Please contact the Principal ahead of time so that proper arrangements can be made for your visit. Remember the teacher is conducting class at that time and their responsibility is to the students. # **NORTH SANTIAM SCHOOL DISTRICT MIDDLE SCHOOLS ATHLETIC RULES, REGULATIONS, AND GUIDELINES**

## **AUTHORITY**

North Santiam School District maintains final authority regarding the implementation of its athletic programs. Concerns about athletic programs should be addressed initially to the middle school coaching staff and administration.

The purpose of the program of interscholastic athletics is to promote, direct, and conduct athletics to further the aims of fitness and general education, to promote friendly relations with other schools, to provide an opportunity for students to experience teamwork, to encourage participation by all students, and to teach good sportsmanship and fair play.

## **PHILOSOPHY**

The philosophy of the middle school athletic program is consistent with the overall district philosophy in that it is based upon a belief in the worth and dignity of the individual. We strive to create an activity environment that will aid each participant in developing confidence, self-esteem, and a desire to be a contributor to a positive group effort. The activities program is expected to promote self-discovery, fitness, good sportsmanship and citizenship, respect for people and property, self-discipline, and responsibility.

A properly organized and conducted activities program should be a distinct contribution to an individual's total education. However, it should be understood that participation in middle school activities is both a right and a privilege which carries specific responsibilities to the team/group, the school, and the community which supports it.

Playing time is an important part of skill development. North Santiam middle schools will follow their league policies stating the need for playing time in each half of every contest for team sports. Attendance problems or inappropriate behavior while participating in any team activity may result in reduced playing time.

Parent complaints should be dealt with at the lowest level. Schedule a meeting with your child's coach. Parents and athletes will not address concerns with coaches at the contest site on the day of games. Concerns will not be addressed to coaches before, during, or after athletic contests. Instead, a separate appointment will be made so that concerns may be addressed privately with the coach and, if necessary, the athletic director and an administrator.

## **ELIGIBILITY**

1. To be eligible to participate in the organized interscholastic athletic program of North Santiam middle schools, a student must:

- Be enrolled as a middle school student in the North Santiam School District.
- Maintain academic grades in all classes during the sport/activity season, as verified by each individual middle school in the District.
- Maintain satisfactory behavior while at school. Any suspension from school will result in a one game suspension following the return to school.

- Have a recent physical examination on file with the school, indicating approval for participation. In order to play interscholastic sports, a student must have a current physical on file and have medical insurance coverage (family or school).
  - Create a Family ID account online and sign up for each sport participating in.
2. When all eligibility requirements are completed, the student will be cleared for participation.
  3. There are certain character traits and behaviors desirable in all students and necessary in athletic participants if we are to comply with the goals of our philosophy. Athletic participants must:
    - Maintain regular attendance in class, especially the day of and the day following an activity.
 

Students who are absent for any part of the day due to illness or out-of-school suspension will not be able to participate in after school or evening activities. If an *absence is pre-arranged* with the athletic director or principal, a student may be cleared to participate in after school or evening activities, including athletics. A student suspended in-school may practice but not play in competition.
    - Demonstrate self-control and refrain from unsportsmanlike actions or words that bring discredit to the team or the student body as a whole.
    - Refrain from using profane or obscene language.
    - Refrain from any actions or words considered insubordinate to coaches.
    - Refrain from any actions or words considered insubordinate to the officials.
    - Demonstrate responsibility and respect for equipment.
    - Maintain appearance and grooming which is neat, clean, and appropriate to the activity.
    - Refrain from possession or use of alcohol in any form.
    - Refrain from possession or use of tobacco in any form.
    - Refrain from possession or use of illegal drugs or narcotics.
    - Refrain from involvement in criminal activity, including actions relating to theft or destruction of property.
  4. Consequences for violation of the above rules will be addressed specifically in the athletic agreement and team rules established by each coach.
    - Probation: The athlete will be formally warned about any violation of a team regulation and likely will be suspended or dismissed from the team if any further violation occurs.
    - Suspension: The athlete will be required to participate in all team practices and meetings, but will not be allowed to dress down or participate in a specified number of games.
    - Dismissal: The athlete will be excused from the team for the remainder of the season.

5. School uniforms and gear must be returned (or paid for) before students may start the next sport.
6. Additional team rules specific to each sport will be provided to participants and parents by the coach.

### **IMPLEMENTATION**

In order to implement the concepts of the athletic philosophy into a working program, the following guidelines will be followed:

1. North Santiam Middle School athletic programs are open to any student who meets eligibility requirements and is willing to make a commitment to the activities in which they wish to participate. Participants must also be willing to accept the philosophy and agree to specific rules.
2. Each participant and their parent/guardian shall be made aware (in writing) of the program philosophy and all eligibility and participation requirements.
3. Although individual activities may have specific rules, these rules must be consistent with the general philosophy. They are to be in writing when appropriate and provided to the participants and their parent/guardian.
4. Individual coaches must be diligent in maintaining standards consistent with the philosophy. It is their responsibility to uphold the rules that were made for the benefit of the individual and the group.
5. Teachers, coaches, and administrators are the only people who may report infractions or violations of team rules. All reports of alleged violations must be referred to them.
6. Coaches have the authority to discipline participants for actions and behaviors which violate the rules and expectations of participants. Suspensions and dismissals must be reported to the parent, and to the principal, by the coach within one school day of the action. Dismissals are subject to approval by the principal.

### **WARNING STATEMENT**

The benefits of participation in organized athletics are many, as outlined in our philosophy statement. It is important, however, that participants and their parents be aware that there is risk of injury in virtually every athletic activity. Supervision, quality instruction, sportsmanlike actions, and emphasis on safety greatly minimize the potential for injury, but the risk remains.
