

Policy Code: IIBGA-AR

Revised: 2/11/21

ELECTRONIC COMMUNICATIONS SYSTEM

Please read this document, complete the last page and turn in as acceptance of these responsibilities.

Definitions

A. “Technology protection measure,” as defined by the Children’s Internet Protection Act (CIPA) means a specific technology that blocks or filters Internet access to visual depictions that are:

1. Obscene, as that term is defined in Section 1460 of Title 18, United States Code;
2. Child pornography, as that term is defined in Section 2256 of Title 18, United States Code; or
3. Harmful to minors.

B. “Harmful to minors” as defined by CIPA means any picture, image, graphic image file or other visual depiction that:

1. Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex or excretion;
2. Depicts, describes or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
3. Taken as a whole, lacks serious literary, artistic, political or scientific value to minors.

C. “Sexual act; sexual contact” as defined by CIPA have the meanings given such terms in Section 2246 of Title 18, United States Code.

D. “Minor” as defined by CIPA means an individual who has not attained the age of 17. For the purposes of Board policy and this administrative regulation, minor will include all students enrolled in district schools.

E. “Inappropriate matter” as defined by the district means material that is inconsistent with general public education purposes, the district’s mission and goals.

General District Responsibilities

The district will:

- A. Provide staff training in the appropriate use of the district's system including copies of district policy and administrative regulations. Staff will provide similar training to authorized system users;
- B. Cooperate fully with local, state or federal officials in any investigation relating to misuse of the district's system;
- C. Use only properly licensed software, audio or video media purchased by the district or approved for use by the district. The district will comply with the requirements of law regarding the use, reproduction and distribution of copyrighted works and with applicable provisions of use or license agreements;
- D. Designate staff as necessary to ensure coordination and maintenance of the district's electronic communications system which includes all district computers, E-mail and Internet access;
- E. Determine which users and sites accessible as part of the district's system are most applicable to the curricular needs of the district any may restrict user access accordingly;
- F. Determine which users will be provided access to the district's E-mail system;
- G. Ensure all students and staff system users complete and sign an agreement to abide by the district's electronic communications policy and administrative regulations. All such agreements will be maintained on file in the school office;
- H. Provide technology protection measures that protect against Internet access by both adults and minors to visual depictions that are obscene, child pornography, or with respect to the use of computers by minors, harmful to minors. An administrator, supervisor or other individual authorized by the superintendent may disable the technology protection measures to enable access for bona fide research or other lawful purposes, as deemed appropriate;
- I. Prohibit access by minors, as defined by CIPA and this regulation, to inappropriate matter on the Internet and World Wide Web;
- J. Provide staff supervision to monitor the on-line activities of students to prevent unauthorized access, including "hacking" and other unlawful activities on-line, and ensure the safety and security of minors when authorized to use E-mail, chat rooms and other forms of direct electronic communication.
- K. Install and use desktop and/or server virus detection and removal software;
- L. Notify appropriate system users that:

1. The District retains ownership and control of its computers, hardware, software and data at all times. All communications and stored information transmitted, received or contained in the district's information system are the district's property and are to be used for authorized purposes only. Use of district equipment or software for unauthorized purposes is strictly prohibited. To maintain system integrity, monitor network etiquette and ensure that those authorized to use the district's system are in compliance with Board policy, administrative regulations and law, school administrators may routinely review user files and communications. The district will inform system users that files and other information, including e-mail, generated or stored on district servers are not private and may be subject to such monitoring;
2. Files and other information, including E-mail, sent or received, generated or stored on district servers are not private and may be subject to monitoring. By using the district's system, individuals consent to have that use monitored by authorized district personnel. The district reserves the right to access and disclose, as appropriate, all information and data contained on district computers and district-owned E-mail system;
3. The District may establish a retention schedule for the removal of E-mail;
4. E-mail sent or received by a Board member or employee in connection with the transaction of public business may be a public record and subject to state archivist rules for retention and destruction;
5. Information and data entered or stored on the district's computers and E-mail system may become discoverable evidence if a public records request is made or a lawsuit is filed against the district. "Deleted" or "purged" data from district computers or E-mail system may be retrieved for later public records disclosure or disciplinary purposes, as deemed necessary by the district;
6. The District may set quotas for system disk usage. The district may allow system users to increase their quota by submitting a written request to the system coordinator stating the need for the increase;
7. Passwords used on the district's system are the property of the district and must be provided to their supervisor or designated district personnel, as appropriate. Passwords that have not been provided to the district are prohibited;
8. Transmission of any materials regarding political campaigns is prohibited.

System Access

A. Access to the District's system is authorized to:

1. Board members;
2. District employees;
3. Students in grades K-12 with parent approval and when under the direct supervision of staff; and
4. District volunteers, District contractors, or others members of the public as authorized by the system coordinator or district administrators consistent with the District's policy governing the use of District equipment and materials.

B. Students, staff, Board members, volunteers, district contractors and other members of the public may be permitted to use the district's system for personal use, in addition to official district business, consistent with Board policy, general use prohibitions/guidelines/etiquette and other applicable provisions of this administrative regulation. Personal use of district-owned computers including Internet and E-mail access by employees is prohibited during the employee's work hours. Additionally, Board member and employee use of district-owned computers may be permitted only when such use does not violate the provisions of ORS 244.040 and use is under the same terms and conditions that access is provided to the general public under the district's policy governing use of district equipment and materials.

General Use Prohibition/Guidelines/Etiquette

Operation of the district's system relies upon the proper conduct and appropriate use of system users. Students, staff and others granted system access are responsible for adhering to the following prohibitions and guidelines, which require legal, ethical and efficient utilization of the district's system.

Prohibitions

The following conduct is strictly prohibited.

A. Attempts to use the district's system for:

1. Unauthorized solicitation of funds;
2. Distribution of chain letters;
3. Unauthorized sale or purchase of merchandise and services;
4. Collection of signatures;
5. Membership drives;
6. Transmission of any materials regarding political campaigns.

B. Attempts to upload, download, use, reproduce or distribute information, data or software on the District's system in violation of copyright law or applicable provisions of use or license agreements;

C. Attempts to degrade, alter, disrupt or vandalize the district's equipment, software, materials or data or those of any other use of the district's system or any of the agencies or other networks connected to the District's system;

- D. Attempts to evade, change or exceed resource quotas or disk usage quotas;
- E. Attempts to send, intentionally access or download any text file or picture or engage in any communication that includes material which may be interpreted as:
1. Harmful to minors;
 2. Obscene or child pornography as defined by law or indecent, vulgar, profane or lewd as determined by the district;
 3. A product or service not permitted to minors by law;
 4. Harassment, intimidation, menacing, threatening or constitutes insulting or fighting words, the very expression of which injures or harasses others;
 5. A likelihood that, either because of its content or the manner of distribution, it will cause a material or substantial disruption of the proper and orderly operation of the school or school activity;
 6. Defamatory, libelous, reckless or maliciously false, potentially giving rise to civil liability, constituting or promoting discrimination, a criminal offense or otherwise violates any law, rule, regulation, Board policy and/or administrative regulation.
- F. Any attempt to gain unauthorized access to any service via the district's system, which has a cost involved or attempts to incur other types of costs without specific approval. The user accessing such services will be responsible for these costs;
- G. Attempts to post or publish personal student contact information unless authorized by the system coordinator or teacher and consistent with applicable Board policy pertaining to student directory information and personally identifiable information. Personal contact information includes photograph, age, home, school, work, or E-mail addresses or phone numbers, or other unauthorized disclosure, use and dissemination of personal information regarding students;
- H. Attempts to arrange student meetings with anyone on the district's system, unless authorized by the system coordinator or teacher and with prior parent approval.
- I. Attempts to use the district's name in external communication forums such as chat rooms without prior district authorization;
- J. Attempts to use another individual's account name or password, fail to provide the district with individual passwords or to access restricted information, resources or networks to which the user has not been given access.

Guidelines/Etiquette

System users will:

- A. Adhere to the same standards for communicating on-line that are expected in the classroom and consistent with Board policy and administrative regulations;
- B. Respect other people's time and cyberspace. Use real-time conference features, such as talk/chat/Internet relay chat only as approved by the system coordinator or teacher. Avoid downloading excessively large files. Remain on the system long enough to get needed information then exit the system. Act as though every byte sent costs somebody time and money, because it does;
- C. Take pride in communications. Check spelling and grammar;
- D. Respect the privacy of others. Do not read the mail or files of others without their permission;
- E. Cite all quotes, references and sources;
- F. Adhere to guidelines for managing and composing effective E-mail messages:
 - One subject per message - avoid covering various issues in a single E-mail message;
 - Use a descriptive heading;
 - Be concise - keep message short and to the point;
 - Write short sentences;
 - Use bulleted lists to break up complicated text;
 - Conclude message with actions required and target dates;
 - Remove e-mail in accordance with established guidelines;
 - Remember, there is no expected right to privacy when using e-mail. Others may read or access mail;
 - Always sign messages;
 - Always acknowledge receipt of a document or file.
- G. Protect password confidentiality. Passwords are the property of the District and are not to be shared with others. Using another user's account or password or allowing such access by another may be permitted with supervising teacher or system coordinator approval only. No system user may use a password on the District's computers, E-mail system, or Internet access which is unknown to the District;
- H. Communicate only with such users and/or sites as may be authorized by the district;
- I. Be forgiving of the mistakes of others and share your knowledge. Practice good mentoring techniques;
- J. Report violations of the District's policy and administrative regulations or security problems to the supervising teacher, system coordinator, or administrator, as appropriate.
- K. Appropriate system use etiquette is expected of all users;

- L. Personal use - used after work hours and at no cost to district.

Complaints

Complaints regarding use of the district's Electronic Communications System may be made to the teacher, principal, employee's supervisor or system coordinator. The district's established complaint procedure will be used for complaints concerning violations of the district's Electronic Communications System policy and/or administrative regulation. See Board policy KL and accompanying administrative regulation.

Violations/consequences

A. Students

1. Students who violate general system user prohibitions shall be subject to discipline up to and including expulsion and/or revocation of district system access up to and including permanent loss of privileges;
2. Violations of law will be reported to law enforcement officials; and
3. Disciplinary action may be appealed by parents, students and/or a representative in accordance with established District procedures.

B. Staff

1. Staff who violate general system user prohibitions shall be subject to discipline up to and including dismissal in accordance with Board policy, negotiated agreements and applicable provisions of law;
2. Violations of law will be reported to law enforcement officials;
3. Violations of applicable Teacher Standards and Practices Commission (TSPC), Standards for Competent and Ethical Performance of Oregon Educators will be reported to TSPC as provided by OAR 584-020-0041;
4. Violations of ORS 244.040 will be reported to GSPC.

C. Others

1. Other guest users who violate general system user prohibitions shall be subject to suspension of system access up to an including permanent revocation of privileges;
2. Violations of law will be reported to law enforcement officials or other agencies, as appropriate.

Telephone/Membership/Other Charges

- A. The district assumes no responsibility or liability for any membership or phone charges including, but not limited to, long distance charges, per minute (unit) surcharges and/or equipment or line costs incurred by any home usage of the district's system;
- B. Any dispute or problems regarding phone services for home users of the district's system are strictly between the system user and his/her local phone company and/or long distance service provider.

Information Content/Third Party Supplied Information

- A. System users and parents of student system users are advised that use of the district's system may provide access to materials that may be considered objectionable and inconsistent with the district's mission and goals. Parents should be aware of the existence of such materials and monitor their student's home usage of the district's system accordingly;
- B. Opinions, advice, services and all other information expressed by system users, information providers, service providers or other third party individuals are those of the providers and not the district;
- C. System users may, with system coordinator approval, order services or merchandise from other individuals and agencies that may be accessed through the district's system. These individuals and agencies are not affiliated with the district. All matters concerning merchandise and services ordered including, but not limited to, purchase terms, payment terms, warranties, guarantees and delivery are solely between the seller and the system user. The district makes no warranties or representation whatsoever with regard to any goods or services provided by the seller. District staff and administration shall not be a party to any such transaction or be liable for any costs or damages arising out of, either directly or indirectly, the actions or inactions of sellers;
- D. The district does not warrant the functions or services performed by or that the information or software contained on the system will meet the system user's requirements or that the system will be uninterrupted or error-free or that defects will be corrected. The district's system is provided on an "as is, as available" basis. The district does not make any warranties, whether expressed or implied including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein.

Initial Sign in

Computer & Google sign in:

Username: firstname.lastname

Password: This will be set by the Technology Department and sent to you as part of your login credentials.

You will be asked to reset your password when you log onto a district computer. It should sync with Google at this time. If not, then use the following for Google.

Google email:

Username: Firstname.lastname@nsantiam.k12.or.us.

Password: Your password will sync with your computer password as soon as you log into the computer on campus.

Intranet on our webpage (www.nsantiam.k12.or.us):

Select the "For Staff" menu which will prompt you to sign in (firstname.lastname), using the same password as your Computer and Google sign in. If you are already signed in on the computer, you can click on the red sign in buttons to log in.

Student Information Services:

Contact your office manager.

If you have any questions, contact Nolan in IT @ 503-769-4267
or send an email to helpdesk@nsantiam.k12.or.us.

District Employee Agreement Electronic Communications System Account

I have read the district's Electronic Communications System policy and administrative regulation and agree to abide by their provisions. I understand that violation of these provisions will result in suspension or revocation of system access and related privileges and/or referral to law enforcement officials.

Should the use of any hardware or software not approved for use by the District Technology Coordinator cause my computer to become inoperable, I understand the District is not liable for data not saved to the District's network server.

In consideration for the privilege of using the district's Electronic Communications System and in consideration for having access to the public networks, I hereby release the District, its operators and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use or inability to use the system including, without limitation, the type of damages identified in the District's policy and administrative regulation.
