

How to get into your classes and join the Zoom/Meets live class:

Step 1: Go to your school email and login!

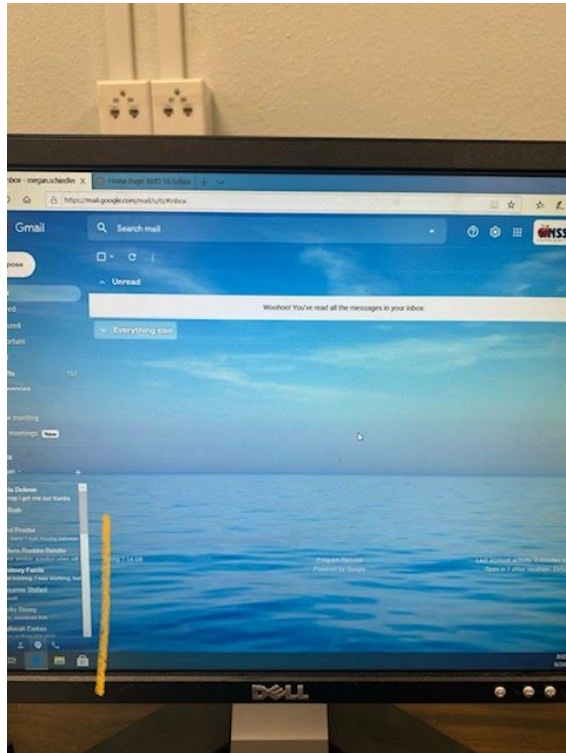

first.last@student29j.net

EX: (david.bolin)

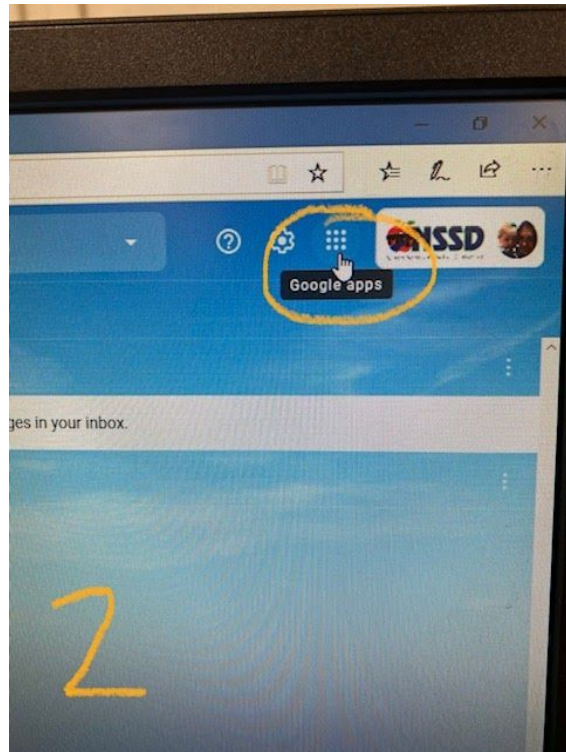

Password at first login:

#firstfour2021

EX: (#davi2021)

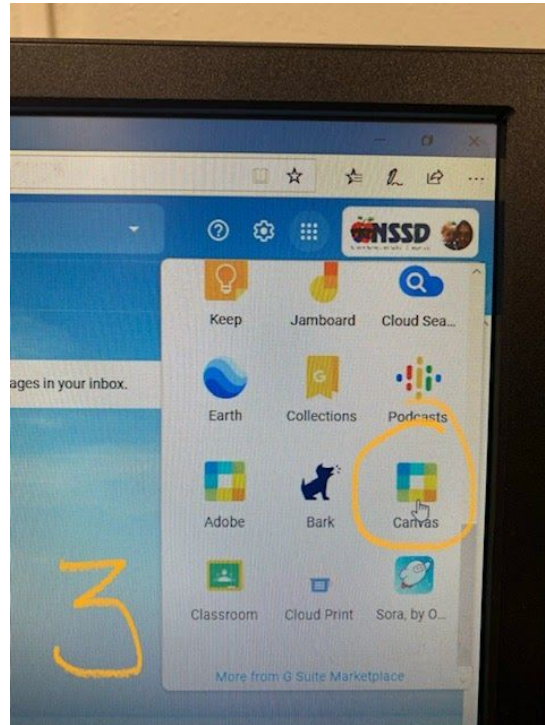

Step 2: At the top right, click on the 9 dots for "Google Apps" (the same place you find your docs and drive!)

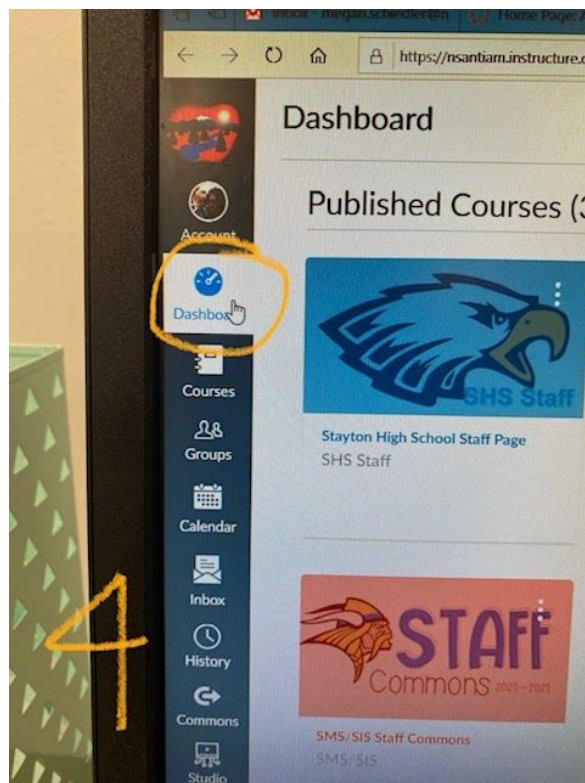

Step 3: Scroll down in the apps until you see Canvas.

***If you are on a district chromebook, you may see this Canvas symbol in other places on your Chromebook. Those will work to get in also!**

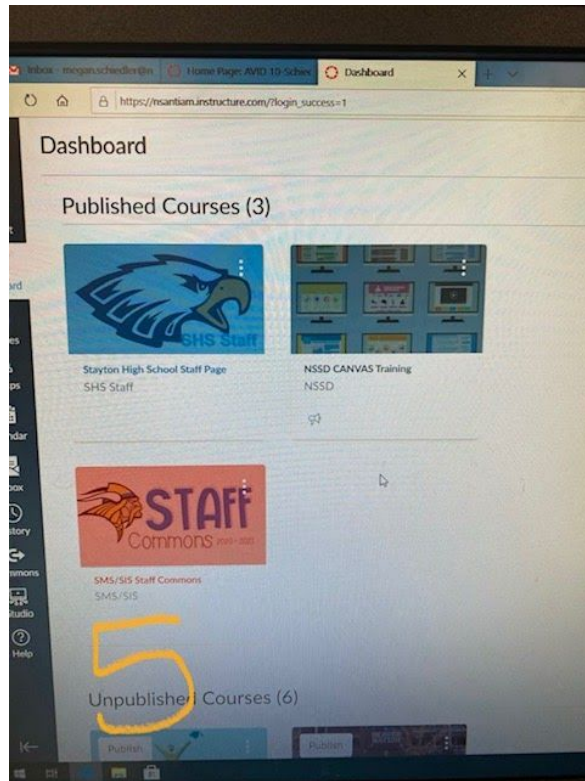

Step 4: On the left side of your screen choose "Dashboard"

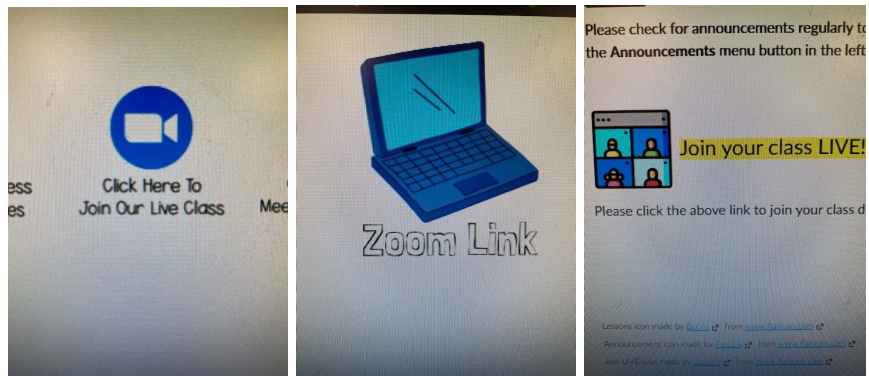

Step 5: If you are middle or high school you should have a square “card” for each of your class periods. If you are K-5, you will only have 1 square card! Find the card that matches your first period class and click on it!

***Middle/High school: Each class has a DIFFERENT class meeting link. You will need to click on whatever period/class you want to join. Of course, we will start with 1st period!**

Step 6: If you are in middle or high school, every teacher/class will have a Zoom or Meets link on their homepage (the page you first see when you click on the class). They may look differently. Here are a few examples of what you may see to click on to join class.

Step 7: Click on the link to join that class and it will take you to Zoom or Meets!

NOTE: Some Chromebooks need the extension downloaded! If you click a Zoom link and see a message to download an extension - DO IT!
