

Scavenger Hunt - Alternate Assignment

Name _____ Guide Group Teacher _____

If you did not attend the college fair you must complete this alternate assignment to meet this guide group requirement. You will be asked to, on your own time, do an internet scavenger hunt. Be sure to site your source for every question asked.

1. Choose three Oregon schools. What are their mascots? You may NOT use U of O or OSU!

Answer:	Source(s):
---------	------------

2. Name 2 colleges that have a religious affiliation. What does that mean?

Answer:	Source(s):
---------	------------

3.a. Go on the website of a college, university, trade school, or community college you're interested in. Look up a major you're interested in and list 5 classes you will need to take your 1st year as part of that major.

Answer:	Source(s):
---------	------------

3.b. From the school you listed above: What is the cost to attend? What is the cost of tuition? What is the difference between cost to attend vs. cost of tuition? Look on the school's Financial Aid website. What do they offer for financial support?

Answer:	Source(s):
---------	------------

3.c. From the school you listed above: What is the minimum requirement to apply? If you chose a community college answer this question for transfer students at the university of your choice.

Answer:	Source(s):
---------	------------

4.a. What are 3 differences between a private and a public university?

Answer:	Source(s):
---------	------------

4.b. Search two different private and public universities (total of 4 schools). What is the difference in cost? On average how many scholarships/grants do students earn at their schools?

Answer:	Source(s):
---------	------------

5. What is a study abroad program? Name three institutions that offer study abroad programs and list at least one country each of them goes to. You must choose schools you have not yet listed.

Answer:	Source(s):
---------	------------

6. Look up a school from outside of Oregon that you have not yet listed on this scavenger hunt. Look up their campus housing and food and list at least three facts.

Answer:	Source(s):
---------	------------

7. Find out the average class size from three different schools. List the name of the school and the average class size.

Answer:	Source(s):
---------	------------

8. List the name of two schools and at least six popular student organizations/intramural sports for each of them.

Answer:	Source(s):
---------	------------
